BELVEDERE INTERNATIONAL SCHOOL

Belvedere International School believes that our students should have the opportunity to extend existing skills and talents in addition to learning new ones.

In order to help alleviate stress, develop confidence, team building and new friendships we encourage all students to try at least one activity a term. We believe that it is essential to the student's wellbeing to have at least one hobby or interest outside of the classroom.

All classroom teachers are asked to offer at least one free activity in order to collate accessible programs for all our students.
