Message from the Principal

Dear Parents,

Ramadan Kareem!

As we come to the end of Term 2, it is a time to reflect and be grateful for the many achievements and success of our students. We are very proud of their display of resilience along with hard work and dedication to their learning. I am constantly amazed at our students' enthusiasm and active participation in lessons and extra curricular activities.

I wish everyone a very happy and restful upcoming Spring Break! We want to encourage all our students, staff and families to use this break as a time to relax and enjoy their time with family. The Term 2 reports will be sent out at the start of the new term. The school administration and accounts office will remain open during the Spring break to respond to your queries.

We look forward to seeing you all again when we reopen on 15th April 2024.

Warm regards,

Antonette Naidoo

Extra Curricular Activities

ECAs will kick off in the second week of Term 3, offering students a fantastic opportunity to explore their interests, develop new skills, and connect with classmates in a fun and engaging environment.

The full list of ECAs will be shared with you shortly. We offer a diverse range of activities catering to various interests, from sports, arts, and academic clubs.

We would like extend a heartfelt thank you to all our parents for your continued support of our ECA programs. Your encouragement plays a vital role in students' participation and enjoyment of these enriching activities.

We understand the importance of strong foundational knowledge for academic success. To support our students in their final Term 3 assessments, we will also be offering booster lessons. These targeted sessions will help identify any potential gaps in understanding and provide students with the extra support they need to excel. More information on booster lessons will be available soon.

We encourage you to discuss ECA options with your child and look forward to another exciting term filled with learning and extracurricular fun!

Stay tuned for further updates!
