End of Academic Year Message to Our BIS Families

Dear Parents and Belvedere International School Family,

As we reach the end of another successful academic year, I would like to take this opportunity to express my sincere gratitude and appreciation to all our parents for your continuous support, trust, and partnership throughout the year.

This academic year has been a memorable journey filled with achievements, growth, challenges, and many proud moments. The progress and success we have witnessed at BIS would not have been possible without the strong collaboration between our students, parents, teachers, and the entire school community. Your encouragement, cooperation, and commitment have played an important role in creating a positive learning environment where our students can thrive.

At Belvedere International School, we believe that education is a partnership, and we truly value the role our parents play in supporting their children's learning and development. Your communication with us, your involvement in school activities, and your continued encouragement of your children have contributed greatly to the wonderful community we continue to build together.

As we begin the summer vacation, I would like to remind our students and families that this period is an excellent opportunity to relax, spend quality time together, explore new experiences, and focus on wellbeing. After a busy and productive academic year, our students deserve time to rest, recharge, and enjoy meaningful moments with their families.

At the same time, summer provides many opportunities for students to continue developing their skills in enjoyable and engaging ways. Learning does not only happen inside classrooms; it happens through experiences, conversations, exploration, and curiosity. Students can benefit from activities such as reading for pleasure, educational games, creative projects, learning new skills, exploring hobbies, and participating in activities that develop their confidence, independence, and problem-solving abilities.

We encourage our students to maintain a healthy balance during the holiday: enjoying time to relax while also keeping their minds active and preparing themselves for the exciting learning journey ahead. Small daily habits, such as reading, practising skills, and exploring new interests, can make a significant difference in building confidence and readiness for the next academic year.

I would also like to take this opportunity to thank our dedicated teachers and staff members who have worked tirelessly throughout the year to provide our students with high-quality learning experiences, care, and support. Their passion and commitment continue to be one of the greatest strengths of our BIS community.

INCLUSION

As the 2025–2026 academic year comes to a close, the Inclusion Department proudly reflects on another year of meaningful progress, collaboration, and student achievement. Guided by our commitment to inclusive education, we continued to ensure that every learner was provided with the support, opportunities, and encouragement needed to thrive both academically and personally.

Throughout Term 3, students completed their end-of-year assessments with individualized accommodations and targeted support, enabling them to demonstrate their knowledge and skills with confidence. Continuous collaboration between the Inclusion Department, classroom teachers, families, and school leadership played a vital role in promoting student success and well-being.

This academic year was marked by the successful implementation of individualized education plans, targeted intervention programmes, classroom support strategies, and ongoing progress monitoring. These initiatives helped students strengthen their academic performance, develop independence, improve social and communication skills, and build confidence as active members of the school community.

Beyond academic support, the department remained dedicated to promoting a culture of inclusion across the school through awareness initiatives, collaborative planning, professional guidance for staff, and evidence-based inclusive practices. Together, we have continued to create a learning environment where diversity is valued, strengths are celebrated, and every student is empowered to reach their full potential.

We are immensely proud of our students for their perseverance, resilience, and determination throughout the year. Every milestone achieved reflects not only their hard work, but also the strong partnership between families, teachers, and the Inclusion team.

The Inclusion Department extends its sincere appreciation to our parents for their continued trust and partnership, and to the school leadership, teachers, learning support staff, and the entire school community for their ongoing collaboration in making inclusion a shared responsibility and a lived value within our school.

As we celebrate the conclusion of another successful academic year, we wish all our students and their families a safe, enjoyable, and restful summer break. We look forward to welcoming everyone back for another year filled with new opportunities, continued growth, and inspiring achievements.

Together, we continue building a school where every learner belongs, every voice matters, and every success is celebrated.
