Special Consideration on School Tuition Fees

AY 2026-2027

Available Special Consideration

- ***Siblings Reduced Fees***

Families enrolling more than one child at BIS will receive a 10% reduced fee on the tuition for one child only.

- ***Corporate Reduced Fees***

Parents employed by partner organisations may be eligible for special consideration on tuition fees. Proof of employment may be required at the time of enrolment.

- ***Referral Incentives***

Share your experiences with family and friends and receive an incentive for your children's tuition fees once the referred family children are enrolled. The referral applies to the referring parent if the new student meets admissions requirements, accepts the school place offer, submits all necessary documents, and pays the first term's fees. The referral incentives will be calculated as a 5% reduction on one child tuition fees per family referral regardless of the number of students per family. This referral incentive is applied to the youngest child's tuition fees.

- ***Staff Reduced Fees***

Current staff members of BIS are entitled to a reduced fee on tuition for their children to promote education access and support. Please refer to BIS Staff Tuition Fees Discount Policy for details.

- ***Scholarship Grants***

BIS offers scholarship grants for new students demonstrating outstanding academic achievements, often based on standardised tests scores, grades, and academic records. Scholarship can also be awarded based on performance in interviews and entrance exams.

Year 1 to Year 3 (Combined interview results and placement test for new joiners)

Interview and Placement Test Results	Maths	English Writing	Arabic	English Comprehension	Grants Cap
84% and below	0%	0%	0%	0%	
85% to 94%	5%	5%	5%	5%	10%
95% to 100%	7%	7%	7%	7%	15%

Year 4 and above

CAT 4 Results	Verbal	Quantitative	Non-verbal	Spatial	Grants Cap
Stanine 4 and below	0%	0%	0%	0%	0%
Stanine 5	6%	6%	6%	6%	15%
Stanine 6	9%	9%	9%	9%	20%
Stanine 7 and above	12%	12%	12%	12%	25%

*Based solely on CAT 4 results only

If a student is eligible for multiple reduced fees, the applicable reduced fee for other party will be applied first. Then, the scholarship will be calculated based on the table above, capping at the specified percentage for each category. If a student qualifies for two or more stanine categories, he/she will receive the maximum percentage scholarship for the highest category achieved in his/her results and as well as the highest grant Cap value.

Scholarship Grants for Current/Existing Students

BIS offers scholarship grants for registered/existing students demonstrating outstanding academic achievements, based on standardised tests scores in GL, PTM, PTE and PTS results and their overall school results: Students will be considered for this scholarship grant if they are one of the top performers in their year group, scoring 96% or higher in the overall overall average in the eSIS end of year report card, and obtaining in each of the 3 GL exams (PTM, PTE and PTS) at a stanine 6 or higher except for year 7 students as they need to get 6 or higher in PTM and PTE only. These outstanding students will be eligible for an additional 10% reduction in the school fees for the upcoming academic year. These grants will be calculated and shared with parents at the end of the academic year to be applicable for the following academic year only.

Terms and Conditions

- The combined value of all tuition fee reductions and scholarships shall not exceed 50% of the applicable tuition fees
- Documentation may be required to qualify for certain reduced fees
- Students must adhere to BIS policies regarding academic performance, code of conduct and ethical guidelines
- BIS reserves the right to modify the reduced fees on tuition fees with prior notice to parents
- Scholarships are reviewed annually and may be adjusted or withdrawn for the following academic year based on students' academic performance and continued eligibility
